

Asiya's Book Of Shadows

[Home](#)[Calling &
Releasing the
Quarters](#)[Ostara](#)[Candle Magic](#)

This website is my contribution to all those wiccan's out there that aren't sure of what to do. In this website I will explain my rituals, circle casting, and any spells that I come up with along the way. Of course some things will remain for just my personal use (as with any BOS). This is just an mixture of traditions. Most of these things I have learned and taken from other texts, people, and made them into my own.
