Calling

Guardians of the East,
Spirits of Air, Spring, and Dawn,
of Knowledge and Learning,
I call thee to come forth and guard this circle
So the Moon Waxes with the power of the winds

Guardians of the South
Spirits of Fire, Summer and Noon,
of Healing and Destruction,
I call thee to come forth and guard this circle
So the Moon Brightens with the power of the Flame

Guardians of the West
Spirits of Water, Autumn and Twilight,
of Love and Sorrow,
I call thee to come forth and guard this circle
So the Moon Wanes with the power of the tides

Guardians of the North,
Spirits of Earth, Winter and Midnight,
of Birth and Death,
I call thee to come forth and guard this circle
So the Moon Darkens with the power of the Lands

Power of Spirit come forth and guard this circle
Charge this circle with your power
As above, so below
As the Universe, so the Soul

Releasing

Guardians of the North
Spirit of the Earth and Midnight
Thank you for guarding this circle
As the moon darkens with the power of the lands
Depart if you must
Stay if you will
